LEI700 PLUS 2CUPS TOUCH 32" + COFFEE TO GO MODULE

# LEI700 PLUS 2 CUPS TOUCH32 Coffee To Go the most innovative concept on the market.

Give your customers the chance to go on a journey of discovery through traditional flavours and experience numerous delicious ingredients with a top-of-the-range machine. The PREMIUM VENDING concept offers sensory delights for consumers with its blend of innovation and tradition.

## Tasty beverages like in a Coffee Shop.

### 4 TYPES OF TOPPING

Thanks to the topping module, LEI 700 PLUS 2CUPS can offers drinks enriched with numerous high-quality products, such as: chocolate chips, choco pops or muesli.

### 2 TYPES OF SYRUP

In addition, through the dedicated kit, this machine can provide different types of syrup, such as caramel, vanilla and many other delicious flavors.

### 2 CUP SIZES

Users can choose between two cup sizes for their beverages: standard and XL.

## A Coffee To Go module and more besides...

The LEI700 PLUS 2CUPS TOUCH32" can be fitted with an innovative Coffee To Go module, which can dispense lids and stirrers. In addition, the same units contains 6 drawers equipped with 2 spirals for dispensing mini-snacks to go with the chosen beverage.

## Interactive Vending.

- Selection interface with monitor 32" and touch screen technology able to play multimedia contents.
- Appealing and intuitive menu with picture products, descriptions and ingredients for a consumer awareness.
- Digital signage to emphasize the customer experience with the publication of videos, news or special communications.
- Sales promotion: up to 6 preset menu (a hot drink + a snack product) and up to 6 snack products displayed when the machine is combined in Master/Slave with a snack machine.
- Easily management of multimedia contents and configuration thanks to the innovative platform WinConfigTouch of Bianchi, the new Windows application.

## Communication and customization.

**EXTENSIVE OFFER.** Up to 5 different product families can be configured, each associated with up to 6 selections of single items or 6 menus with one beverage and one snack when the machine is combined in master/slave.

**CUSTOMIZABLE DRINKS.** Customizing your drink has never been so easy. After making your choice through the 32" LCD touchscreen, the user is guided by the GUI along the entire shopping process, from choosing the favorite topping to customize his drink to the choice of a tasty mini snack to complete his break.

**NUTRITIONAL QUALITIES.** Selections can be customized by organizing them in product families associated with common nutritional attributes. In each family the user can select the product desired and view all the nutrition information.

**HIGH QUALITY VIDEO.** The LCD technology used in our monitors will accommodate high quality images and promotional or information videos, drawing the user even more powerfully into the consumer experience.

01. CHOOSE  
the consumer can choose up to 5 family of hot beverages (up to 6 selections for each family) and 2 menu

02. CUSTOMIZE  
The beverage can be customized with topping and syrups

03. ADD A MINI SNACK  
The break can be enriched with a tasty mini snack

## In short: wider selection, more satisfaction.

The new LEI700 PLUS 2CUPS TOUCH32" boosts satisfaction.

- The touchscreen offers a more engaging experience.
- The two cup sizes cater to everyone's needs.
- The choice is increased by the options for enhancing the beverages by adding chocolate flakes, muesli, syrups and much more besides.

In addition, the Coffee To Go module dispenses practical lids and tasty snacks to be enjoyed with the beverages.
